Local Outdoor Trips Permission

As part of St Charles daily routine, we take children out of school for walks to local parks and the library. Occasionally as part of a project we may take the children to other local facilities such as the vets or local ships.

All these trips are within a short walk of the school and the school Office Manager and Headteacher is always informed where the group is going. **We will always inform you before the trip happens and where they will be going.**

For any trips requiring transport, we will seek permission separately.
