

10th July 2022

Dear parents and carers,

We are delighted to inform you that we are working alongside Humberside Police to offer bike security marking for free to **Tuesday 12th July 2022**. This is an excellent opportunity for you child to have their bike frame permanently marked with a laminated, tamper resistant warning label. The label displays a barcode which can be scanned to identify the original owner for the bike should it ever get lost or stolen.

The children will be able to bring their bikes to school on this day and take them out during the afternoon to have it coded. There will also be an opportunity afterschool should you wish to bring your child's bike then or even get your own bike coded. The only requirement is that the form on the back of this letter is completed in order to register the bike.

Please feel free to contact school should you need any further information.

Thank you for your continued support,

Mrs. S. Woodmansey
